Gary:

Thank you. I will be helping START with the Hazcat today. When we finish with the samples taken yesterday, we will do these. Daniel and I discussed this with his group.

Subject: CES: EPA Lab Containers in Main Warehouse

Leroy:

This is the lab data for the EPA samples in the Main Warehouse. This may be useful when determining how to bulk these but then again it may be not and we may have to hazcat. Please let me know how you plan to handle these samples.

Thanks

Gary Moore
